

DID YOU KNOW.....

~350 – mostly children –
die from measles **EVERY
DAY**

33% of babies with
Congenital Rubella
Syndrome **DIE** before
age 1

One MMR vaccine costs \$2

The **American Red Cross Club** is raising funds for the **Measles & Rubella Initiative**, a partnership which works to increase MMR vaccine availability for countries in need.

**We will be selling snack bags &
baked goods in KU from 11-2 on
February 20, 22, & 23**

**Please SCAN
to Donate**

NO CHILD should **DIE** from a **preventable
disease**. Help us create a world without
measles and rubella.
